eMSA: Extended Maintenance and Service Agreement

The Q200/HE and Holter LX Analysis come with a market-leading 3-year warranty. To make this warranty even better, we offer an eMSA that extends your warranty to 5 years. An eMSA must be purchased within 1 month of your Q200/HE purchase and within 6 months of your Holter LX Analysis Software purchase.

An eMSA provides even longer life, greater utility and simply more value for your original investment in digital Holter technology. An additional 2-year warranty protection extends the original manufacturer's warranty. For the complete manufacturer's warranty, please click here.

Benefits:

- Extended warranty coverage for 2 years on Q200/HE hardware and Holter LX Analysis & LX Event software from QRS.
- Free additional training (via Internet) sessions for refresher or recurrent training.
- Priority handling of support issues from QRS Customer Care via phone or email.
